Strawberry Festival.

Remember the festival given this evening in Lappin's Hall for the benefit of the first M. E. Sunday School. Ample preparations are made to entertain all who may attend. Prof. Wilson and Town, with other good singers will be present to entertain the occasion with excellent music.

As this is an appeal for a worthy object, by a worthy society, we hope it will be promptly responded to.

Proceedings of the Council.

REGULAR MEETING, THURSDAY EVENING, June 13, 1883.

Several accounts were presented and referred.

A petition of citizens of Court street and Rager avenue to grade the streets and construct sidewalks was referred to the aldermen of the 2d and 3d wards.

Ald. Pattison introduced an ordinance in relation to railroad bridges over Western avenue and Claron street, which was referred to the judiciary committee.

The bridge committee reported adversely to accepting Jackson street bridge. Adopted.

J. W. D. Parker reported that there was \$1092.01 due for costs and on the judgment against David Noggle for the purchase of lot 156, Smith, Bailey & Stone's addition to Janesville, with interest from the 24th of April, 1883. An order was adopted as, signing this judgment to H. Richardson for \$600.

On a motion to take up the ordinance repealing the ordinance regulating the building of railroad bridges over Western avenue and Claron street, A. Hyatt Smith addressed the council in favor of the repeal, and the matter was postponed until the next meeting.

The finance committee reported the following accounts, which were audited:

J. H. Balch, assisting assessors,	\$20.00
R. J. Richardson, sundries,	4.70
M. Barron, 4th ward,	25.00

The same committee reported that the claim of J. W. Allen was properly payable by the board of education. Bill referred to that board.

Ald. Barnham introduced an order approving the plans and specifications for sidewalks between Milwaukee and Glen streets, and ordering the construction of the walks. Adopted.

Adjourned.

MAYOR'S PROCLAMATION.—We call the attention of our citizens to the proclamation of the Mayor in our advertising columns to-day. All the ordinances alluded to were passed for the benefit of the people of the city, and their vigorous enforcement is required by their best interests. Lot of offenders take warning.

WANTED.—A small house, or a part of a house, sufficient for the accommodation of a family of three persons. Apply at this office.

BELLOTT AND MADISON ROAD.—We learn that the work through the Magnolia bluff is finished, the first train running through last Saturday, and the track is laid across part of the marsh. The iron for the track to Evansville is now in Chicago, and it is expected the road will be opened to Evansville about the first of July. The time table to Magnolia is published to-day, the trains connecting with the Chicago and Galena road and all its connecting roads. A change of time on the Milwaukee and Mississippi road now makes prompt connections at Janesville Junction for Orford, Brodhead, Juda and Monroe.

Strawberry Festival.

The Methodist Sunday School will hold their annual festival at Lappin's Hall on Friday evening June 19th. The committee intend to make it especially a social entertainment, and cordially invite public patronage. Admission ten cents.

je1743d. Per order Com.

NEW ICE CREAM SALOON.—Mr. F. M. Davis has opened a new ice cream saloon on the west side of the river. See his advertisement.

LACE VAIL LOST.—A black lace veil was lost this forenoon, between Mosley's store on Milwaukee street and the corner of Jackson street. A liberal reward will be paid for its return to this office. je1943d

FROM NORWAY DIRECT.—The Norwegian brig, Sleipner, whose arrival at this port last summer caused such a sensation, is again on her way, and will arrive here, direct from Norway, in about ten days. She brings 160 passengers. Accompanying her is another vessel with passengers, and a sloop with a cargo of herrings, &c. The little fleet entered the St. Lawrence a week ago last Sunday, and will arrive here about three weeks from Quebec. The Sleipner has been rebuilt, and is now one-third larger than when she was here last season. Of course our Norwegian citizenry will give the little fleet a cordial reception. —Chicago Journal.

To Horse Owners.

DR. SWEET'S INFALLIBLE LINIMENT FOR HORSES is unrivaled by any other. It is all cases of Lameness, Sprains or Wrenching, its effect is magical and certain. Bruises or Saddle Galls, Scratches, Mange, &c., it will also cure speedily. Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond good possibility of a radical cure. No case of the kind, however, is so deep-seated or hopeless that it may be alleviated by the Liniment, and its faithful application will always remove the Lameness, and enable the horse to travel with comparative ease.

Every horse owner should have this remedy at hand, for its direct use at the first appearance of Lameness, will effectually prevent those formidable diseases mentioned, in which all horses are liable, and which render so many otherwise valuable horses nearly worthless. See advertisement. ap21d1aw5ow

We also call the attention of all lovers of music to a new instrument which has been just received called the
